On this website, you can find the **complete menu** of **Royal** from North Lincolnshire. Currently, there are **19** courses and drinks available. The Royal offers a blend of experiences that can leave guests feeling polarized. Some diners appreciate the warm atmosphere and quality food, recalling delightful meals and attentive service from staff like Zane. Others, however, express significant frustration over poor customer service and communication failures, particularly during peak hours, with reports of rudeness and inability to handle busy periods. While the pub's charm and dog-friendly vibe are appealing, many agree it desperately needs a refresh and improved staff training to ensure every visitor is treated with respect and dignity. Consistency in service remains a crucial area for improvement.
