On this site, you can find the **complete [menu](#) of Crown And Anchor** from Camden. Currently, there are **20** courses and drinks available. Nestled in the vibrant heart of Covent Garden, the Crown and Anchor pub combines a lively atmosphere with homemade food and a range of quality drinks. While the beer prices reflect London's tourist appeal, some patrons find the added service charge perplexing, especially when ordering at the bar. The pub enjoys a good reputation for its friendly staff and hearty fare, including delicious plant-based options and renowned chicken wings. However, inconsistent restroom maintenance and visibility issues with pest control measures have raised concerns. Overall, it remains a beloved spot for locals and visitors alike.
