A **complete menu** of Starbucks from Dublin covering all **15** meals and drinks can be found here on the card. Starbucks in Dun Laoghaire offers a cozy spot to enjoy a coffee, but service can vary due to inconsistent staff. While the hot chocolate was not quite worth the price, the convenience and comfort of the location make it a popular spot for locals and visitors alike. With a variety of seating options and friendly staff like Vi, those who overlook occasional cleanliness issues may find a welcoming setting to relax or work. Just be cautious of potentially rowdy teenagers. Overall, Starbucks in Dun Laoghaire provides a familiar coffee shop experience with some room for improvement in customer service and cleanliness.
