On this website, you can find the **complete [menu](#) of Chicken Shop** from Camden. Currently, there are **19** courses and drinks available. Located underground with a cozy cabin-like feel, this restaurant offers exceptional chicken but lacks in overall ambiance and food quality. Service can be inconsistent, but generally good. Despite some issues, the restaurant is affordable with room for improvement. The chicken sandwich is only available at lunch and has experienced changes as of January 2019. Recommended for those who enjoy great chicken and a relaxed atmosphere. Apple pie is a standout dessert. Friendly staff but mixed reviews on sides and cocktails. Overall, a great experience at a reasonable price, with potential for further improvements.
