A complete [menu](#) of Bobby's Baguettes from Birmingham covering all 21 courses and drinks can be found here on the food list. The restaurant, Bobby's Baguettes, offers a variety of tasty baguettes and dishes that keep customers coming back. The cajun chicken baguette is a fan-favorite, as well as the tuna and sweetcorn option.

However, inconsistency in customer service has been a major issue. Some staff members are helpful and engaged, while others are half-asleep and inattentive. Some customers have reported receiving cold food or finding hair in their meals. Bobby, the owner, has been criticized for his attitude and questionable "special sauce."

Overall, while the food is generally good, the lack of reliable service may deter some diners.
