Here you will find the [menu](#) of **Black Horse** in North Warwickshire. At the moment, there are **21** dishes and drinks on the list. Despite potential to be amazing, The Black Horse Atherstone lacks planning and organization. Customers experienced issues with reservations, menu options, slow service, and cold temperature. However, those who enjoyed the Sunday roast found it beautiful with fantastic staff. The tearoom offered a warm welcome and delicious afternoon tea. Overall, while some enjoyed great lunches and attentive managers, others were disappointed with service and food quality. Despite a few positive experiences, improvements are needed for consistency and customer satisfaction. The potential is there, but service and standards must be enhanced to match the restaurant's capabilities.
