A **comprehensive menu** of Food Express from Liverpool covering all **21** courses and drinks can be found here on the card. Conveniently located near a hospital, this cafe serves as a reliable pit stop for those in need of a meal. Frequent visits reveal a mixed bag of experiences; while the friendly staff and clean atmosphere are commendable, the food quality varies. The full English breakfast stands out for its value and generous portions, garnering praise for taste and a non-greasy preparation. However, some dishes, like the crispy Wun Tons, disappoint with rubbery interiors. Takeout options provide sizable servings, though occasionally greasy. Prices have risen, raising eyebrows among regulars, yet many still return for its convenience and hearty fare.
