Here you can find the [menu](#) of **Waterhouse Cafe Kingswood** in Reigate and Banstead. At the moment, there are **21** dishes and drinks on the menu. This café continues to impress with its delightful food and friendly service.

Diners rave about the diverse menu, reasonable prices, and attentiveness to dietary needs, making it a top choice for brunch and special occasions alike. However, a recent policy change that automatically adds a service charge has left some patrons feeling put off, especially when a tips jar remains on the counter. While the ambiance is inviting, the lack of dog-friendly seating and occasional service hiccups could dampen the experience. Overall, the café remains a beloved local spot, with potential for improvement.
