A complete [menu](#) of The Three Horseshoes Inn from Mendip covering all 21 meals and drinks can be found here on the menu. Nestled in a picturesque setting, this restaurant impresses with its inviting atmosphere and beautiful refurbishment. While many patrons sing praises of the exceptional food and friendly staff, some have experienced inconsistencies in service and menu quality. The diverse offerings include local delights and a thoughtful approach to dining with pets, but concerns arise over the mandatory service charge and limited bar options. Diners have remarked on remarkable meals, though a few have noted that certain dishes miss the mark. Overall, the establishment shows great promise, but a few adjustments could elevate the experience further. A return visit seems likely for many.
