A complete [menu](#) of Lees Spice Lounge from Oldham featuring all 36 dishes and drinks can be found here on the list. In recent visits, this Indian restaurant has garnered mixed feedback. While many patrons have enjoyed delightful meals and commendable service in the past, recent takeaways have fallen short of expectations. Complaints have highlighted issues like stale poppadoms, underwhelming spicy dishes, and inconsistent quality, with some even tossing their orders. Dine-in experiences have reported flat beverages and slow service, overshadowed by less-than-ideal conditions. Conversely, many still praise the tasty food and attentive staff, particularly the lamb shank and chicken pasanda. Overall, while some customers are excited to return, others are seeking alternatives.
