Currently, there are **22** menus and drinks available. **\*\*Dining Experience at Victoria Square: A Mixed Bag\*\*** Nestled within the trendy Victoria Square shopping center in Belfast, a recent restaurant experience proves to be a tale of contrasts. While some diners enjoyed beautifully presented meals and exceptional customer service, others faced disappointment with overpriced dishes and subpar quality. Menu options, particularly for vegetarians, were limited, and feedback on certain meals—including steak and desserts—revealed inconsistency. Despite the ambiance and modern décor, issues like double bookings and inattentive staff overshadowed the dining experience for some. Overall, while this restaurant has potential, guests should approach with tempered expectations.
