Diners have praised its American-style BBQ and extensive menu, highlighting enjoyable dishes like beef ribs and mixed platters. While some found the food inconsistent—citing overcooked brisket and uninspiring macaroni and cheese—others applauded the service and friendly staff, especially during busy meal times. Additional perks, such as a cinema and free popcorn, add charm. Despite some concerns over food quality, many guests left satisfied, particularly with desserts and frozen cocktails, making it a recommended spot for casual dining.
