Here you will find the [menu](#) of **Tonys Fish And Chip Shop** in Isle of Wight. At the moment, there are **22** meals and drinks on the list. This charming fish and chip shop offers a mixed experience that has caught the attention of many. While some patrons rave about its delicious, generously portioned fish and chips, others have faced disappointment over stale chips and chewy batter. Service generally shines, especially for takeout, and prices remain reasonable, averaging between £10 and £20. However, inconsistencies in food quality, particularly on quieter days, deter some diners. Despite these setbacks, the friendly staff and bustling atmosphere, particularly on busy nights, suggest that this establishment has the potential to earn a loyal following—if only it could maintain its standards.
