A complete [menu](#) of The Mill Cafe from Cornwall, Isles of Scilly featuring all 22 meals and drinks can be found here on the list. The Mill Café, nestled within a popular garden center, presents a contrasting landscape of reviews. While some patrons enjoyed fresh, hearty sandwiches and efficient service in a clean and covid-safe environment, others lamented rising prices and diminished portion sizes. Complaints included rude staff interactions and unappetizing food, such as a microwaved scone that left a lasting negative impression. Despite its potential—the garden center's offerings are well-regarded—the café struggles to consistently deliver value and satisfaction, leaving regulars questioning whether their treat has turned into a disappointment. A visit may offer surprises, but not always the desired ones.
