On this website, you can find the **complete menu** of Nupur Tandoori from Hassocks. Currently, there are **23** courses and drinks available. Nupur offers a mixed dining experience, with some patrons expressing disappointment in the quality and value of their meals. Others praised the delicious food and welcoming atmosphere. The restaurant seems to struggle with consistency, with some dishes lacking in taste or portion size. The staff is generally friendly, but the restaurant's arrangement of dine-in and takeout customers sharing the same space can be a drawback. Prices are on the higher side, but those who enjoy the food find it worth the cost. Overall, Nupur offers a decent dining experience with room for improvement.
