On this site, you can find the **complete menu** of **Tatties** from Cambridge. Currently, there are **24** dishes and drinks available. Tatties has garnered a reputation for its cozy atmosphere and friendly service, with patrons praising its spacious, modern decor and welcoming staff, particularly the memorable Gino. While many enjoy generous portions and a varied menu, experiences vary greatly. Breakfast items receive acclaim, but other offerings, such as the baked potato and falafel wrap, often disappoint due to undercooking or excessive spice. Cleanliness and basic service have also raised concern. Overall, Tatties represents a casual dining choice in Cambridge with potential for improvement, making it a hit or miss depending on individual expectations.
