A **comprehensive menu** of Strathisla from Moray covering all **23** courses and drinks can be found here on the card. Strathisla offers a mix of charming service and delicious fish and chips, though it comes with some caveats.

Many patrons rave about the quality of the chips, noting their perfect texture and flavor, and appreciate the friendly atmosphere. However, the fish is hit or miss – while fresh, it can be greasy or poorly presented, and portion sizes tend to be on the smaller side. A few diners expressed disappointment regarding the preparation of specific dishes like scampi and the inadequacy of accompanying sauces. Overall, Strathisla is a solid stop for a quick bite, particularly if you're in the mood for classic fish and chips.
