On this webpage, you will find the **complete [menu](#) of Stn The Camden** from Stansted. Currently, there are **23** dishes and drinks available. Located at Stansted Airport, this restaurant offers a mixed experience for travelers. While the ambiance is pleasant, especially with the upstairs seating and runway views, the food leaves much to be desired. Limited vegan and [vegetarian](#) options, coupled with overcooked fries and small portion sizes, raise concerns, particularly given the prices. Service inconsistencies, such as wrong dishes and tables left uncleaned, detract from the overall experience. However, some dishes like the ramen and fish and chips receive praise for their flavor. Still, travelers should manage expectations and possibly explore other dining options.
