At the moment, there are **29** dishes and drinks on the menu. ****Aquitania: A Mixed Bag Dining Experience**** Aquitania restaurant promises scenic views and a cozy atmosphere, yet reviews reveal a stark contrast in dining experiences. While some patrons praised the friendly staff and quick service, particularly for accommodating dietary restrictions, others found the food lacking in flavor and creativity, particularly for a Michelin-rated venue. Vegetarian options are limited, with few appealing choices for vegans. Complaints about overcooked and bland dishes surfaced, raising concerns about quality consistency. Overall, while the setting delights, diners may find themselves wishing for a more thoughtfully executed menu to complement the impressive surroundings.
