On this site, you will find the **complete menu** of **Coast Cafe** from East Devon. Currently, there are **25** dishes and drinks available. Despite a decline in quality, Seaton cafe offers greasy food and sloppy vibes. Low hygiene rating and disappointing meals were common complaints. However, they still attract loyal patrons who appreciate the ample seating and helpful staff. The cafe is well situated with sea views and good specials. Upon revisiting, the fish was underwhelming and the service lackluster. Despite some positive experiences with food and friendly staff, inconsistencies in service and quality were evident. Overall, Seaton cafe remains a mixed bag with potential for improvement.
