Here you will find the [menu of Benners](#) in Tralee. At the moment, there are **27** meals and drinks on the list. Benners Hotel offers a mixed experience with its beautiful and modern restaurant but lackluster rooms. The gastropub is okay, but service can be slow. The location is great, and the receptionist is lovely. However, noise can be an issue at night with music from the pub. The staff is fantastic, friendly, and attentive, making guests feel welcome. Overall, it's a charming hotel with comfortable rooms and amenities. Breakfast is good, but parking is a challenge. Despite some shortcomings, guests appreciate the cozy atmosphere and attentive service at Benners Hotel in [Tralee](#).
