Dining at Standard Spoons offers a budget-friendly experience, but expect some bumps along the way. Patrons faced long wait times for drinks and food, often feeling neglected in a dirty environment. While some enjoyed the value of dishes like the manager's special fish and chips, others were disappointed with small portions and subpar cleanliness. However, friendly staff and a pleasant ambiance provided some comfort amidst the chaos. Overall, Standard Spoons can be a decent choice for value seekers, though it's essential to manage expectations regarding service and cleanliness.
