A **comprehensive [menu](#) of The Anvil** from Cornwall, Isles of Scilly featuring all **26** menus and drinks can be found here on the menu. The Anvil invites a mixed bag of impressions from diners. While some guests rave about the delicious food, generous portions, and friendly service, others express disappointment with cleanliness issues and a musty atmosphere. Positive experiences highlight the exceptional Sunday roasts and value for money, particularly the friendly staff's attentiveness. However, critiques point to a lack of parking and unkempt window areas, detracting from the overall experience. Despite these inconsistencies, many agree that the culinary offerings, including cakes and cocktails, warrant a visit, and for those seeking a cozy meal, reservations are recommended for peak times.
