On this site, you can find the **complete menu** of Kitsu from TUNBRIDGE WELLS. Currently, there are **25** meals and drinks up for grabs. Kitsu, a beloved [sushi](#) restaurant, showcases a blend of delightful dishes and varying dining experiences. Many patrons rave about the fresh, melt-in-your-mouth sushi and the friendly staff, creating a cozy atmosphere. Signature items like the katsu fried squid and dragon rolls are often highlighted as must-tries.

However, a growing number of customers have noted inconsistent quality, particularly with takeaway orders, often citing bland flavors and overcooked items. Additionally, long wait times and unexpected charges, such as high corkage fees, have left some diners frustrated. Overall, while Kitsu retains a loyal following, operational challenges need addressing to enhance the experience.
