**The menu of Nonna Gina's from Newton Mearns** contains about **267** different dishes and drinks. On average you pay about £8 for a dish / drink. 28 years ago, Gina and her family embarked on a successful venture in the Italian restaurant business, opening patisseries and restaurants across Glasgow. Following a wealth of success and recognition, Gina was awarded the prestigious Cavaliere title by the Italian Government for her contributions to Italian cuisine and business. Eventually, Gina retired to her home village in Italy, leaving the business to her family to continue growing and expanding. Today, the family still owns and operates one of Glasgow's most renowned Italian restaurants, Il Pavone, located in Princess Square. Recently, after 15 years, the decision was made to revamp what was formerly Il Pavone Sud in order to introduce a new and exciting style of Italian restaurant and bar to Glasgow.
