A **comprehensive menu** of Fish from Bray featuring all **33** dishes and drinks can be found here on the list. The Fishbar nestled near the harbour offers a picturesque setting despite mixed reviews on food and service. While some raved about the crisp and flavorful Curry Chips, others found the Fish Scraps Box disappointing. The cozy atmosphere and live music at the attached Harbour Bar were highlights for many. The falafel meal was a unique [vegetarian](#) option with tasty homemade toppings. Prompt service and buzzers to notify when orders are ready added convenience. With a mix of indoor and outdoor seating, this spot provides a relaxed setting away from the bustling shops. Overall, a must-visit for fish n chips enthusiasts looking for a charming Irish pub experience.
