A complete [menu](#) of Rocket from Ealing covering all 27 dishes and drinks can be found here on the card. The Rocket is a cozy and welcoming gastropub offering delicious, creatively-prepared food, friendly and attentive staff, and a funky interior. Their Sunday roast is particularly recommended for its huge portions and great quality. While the draught beer was a bit bitter, the overall experience was exceptional, with excellent service and charming staff. One reviewer even had a perfect birthday party there. A great local pub perfect for both locals and visitors, offering good value for money and a sunny atmosphere even on a grey London Sunday. This gem in Acton is definitely worth a visit for fantastic food and service.
