The restaurant from London offers **45** different **dishes and drinks on [the menu](#)** at an average price of £8. Sway, located between Covent Garden and Holborn, is a popular spot for after-work drinks. The venue features an upstairs bar and restaurant, as well as a nightclub and a couple of downstairs bars. The atmosphere is vibrant, especially in the club/bar areas. While the food is reasonably priced and the presentation is excellent, it may not be the most exciting in terms of flavor. However, the WooWoo cocktails are worth a try. The service can be hit or miss, with some experiencing long waits and others praising the customer service. Overall, Sway is a great place for groups looking to have a fun night out, with a variety of music options and friendly staff to enhance the experience.
