On this site, you will find the **complete menu** of **Mangetout** from Kingsbridge. Currently, there are **28** menus and drinks available. This café in [Kingsbridge](#) has received mixed reviews from customers. Some have experienced high prices for average food portions, while others have enjoyed the quality of the dishes. The breakfast items were a hit, with high-quality ingredients and well-cooked meals. However, lunch wraps were considered lacking in flavor and depth. The service received mixed reviews, with some customers feeling ignored and spoken to rudely, while others praised the friendly and helpful staff. The café was also noted for being dog-friendly and offering a great deli selection. Overall, the experience seems to vary depending on the visit, but many patrons have found it to be a pleasant and enjoyable spot in a tourist area.
