A **comprehensive [menu](#) of The New Inn** from Wiltshire featuring all **28** menus and drinks can be found here on the menu. The New Inn, recently revitalized, offers a mixed dining experience in Melksham. While the ambiance is inviting, with a beautiful garden and a warm atmosphere, service inconsistencies have marred visits. Diners have reported delays in food service, unavailable menu items, and occasionally brusque staff interactions.

However, those who have enjoyed the food rave about dishes like the ribeye steak and curry. Despite its imperfections, the New Inn shows promise with delicious cuisine and a friendly environment, making it worth a visit—especially as improvements continue to enhance the overall experience.
