Double Apple London presents a vibrant shisha lounge atmosphere, boasting an impressive selection of flavors and a stylish interior. While some patrons rave about the exquisite drinks and well-prepared dishes, others report frustrating service delays and overpriced food. The contrast in experiences is marked; some visitors enjoyed attentive staff and delectable meals, while others faced cold dishes and rude management. With cash-only payment policies and mixed reviews on cleanliness and food quality, potential diners should weigh their options carefully. Overall, the venue's charm shines through for some, while others felt disillusioned by their dining experience.
