Currently, there are **29** meals and drinks available. ****Dining Experience at State and Main: A Mixed Bag**** State and Main, a sibling to OJ's, impresses with its gluten-free offerings and delectable dishes, particularly the calamari and salads. However, service inconsistencies dampen the experience for some diners, with reports of inattentive staff and delayed orders. While many patrons laud the restaurant's ambience and friendly servers, issues such as meal mix-ups and charged drinks that miss the mark have surfaced. Despite these hiccups, the restaurant continues to maintain a loyal following thanks to its inviting atmosphere, robust menu, and commitment to customer satisfaction. Overall, dining here can be delightful, though not without its challenges.
