On this homepage, you can find the **complete menu of The Clipper** from Poole. Currently, there are **30** menus and drinks available. The restaurant presents a varied dining experience, with some patrons praising the extensive menu, cleanliness, and friendly staff, while others express disappointment due to rude service and unappetizing food. While many appreciate the comforting atmosphere and nostalgia of a traditional café, complaints often focus on bland flavors and negative interactions with staff. Though some dishes and the homemade desserts received commendations, inconsistent service and quality seem to detract from the overall appeal. For those seeking a welcoming place to enjoy a meal, a commitment to both food quality and customer service remains essential for improvement.
