A **complete [menu](#) of B.good Maine** from Portland featuring all **30** dishes and drinks can be found here on the list. B. Good, a fast-casual dining destination in Portland, offers a range of vegetarian and limited vegan options. While the restaurant is conveniently located and reasonably priced, it struggles with consistency in food quality and service. Many patrons report long wait times and issues with the adequacy of vegan choices, often needing to modify standard dishes. Despite some disappointing experiences with fries and mislabeling on the menu, the grain and veggie bowls, particularly with added tofu, receive praise for their fresh flavors. Overall, while B. Good has its merits, diners may want to approach with tempered expectations.
