A complete [menu](#) of Fir Tree from Watergrasshill covering all 31 dishes and drinks can be found here on the card. The restaurant offers a mix of average to good food, with slow service and prices slightly higher than expected. Customers experienced dishes that ranged from tasty roast beef to overcooked lasagna and hard, tasteless chips. The atmosphere is bustling, with some noise and unsupervised children. While the food was flavorful, there were some issues with service, such as charging extra for minor requests. Overall, the new management at Fir Tree is bringing back great food and ambiance, with friendly service. Aunt Baum Bar is highly recommended for its delicious menu and top-notch customer service.
