Although this restaurant has received mixed reviews recently, the general consensus is that the food is usually fantastic. Many praise the pizza as real Italian pizza, unlike other places. However, there have been complaints about specific dishes, such as the calzone with a strange smell and taste or the chicken Caesar salad being inedible due to excessive dressing. Inconsistencies in cheese toppings on pizzas have also been noted. Despite these issues, the majority of customers still enjoy the food, with highlights being the pasta paesana and breadcrumb mushrooms. Overall, the restaurant seems to have potential but may need to address some quality control issues.
