The place from Cork offers **31** different **dishes and drinks** on [the menu](#) for an average price of 6 €. A quaint and friendly bar with an incredible selection of craft beers from mainland Europe, an impressive whiskey lineup, and a relaxing atmosphere away from busy pubs. Highly recommended for beer enthusiasts, especially global travelers. The limited seating out front is a special treat on sunny days, although the footpath is just as enjoyable. Friendly staff and no distracting music make it a perfect spot for a chat over a pint. The bar doesn't serve food, but that doesn't detract from the overall old-school vibe and welcoming environment. Overall, a must-visit for any beer lover in Cork.
