On this homepage, you will find the **complete menu** of **The Red Lion Arundel** from [Arun](#). Currently, there are **41** menus and drinks available. This restaurant, located in Arundel, was the only one open at the time we went for lunch. Despite the uncomfortable seating and unpleasant smell, we decided to stay after ordering drinks. I originally wanted sausages and mash, but ended up with sausages and chips with cold runner beans. My son and daughter-in-law ordered steak, but it was full of gristle and came with unappetizing mushrooms in oil. My daughter's hamburger was also lackluster. Overall, we were disappointed with the experience and found it to be a waste of money. I would not return to this establishment.
