A comprehensive [menu](https://menuweb.menu) of Anaz from Blackburn with Darwen featuring all 34 dishes and drinks can be found here on the menu. Anaz, a long-standing Indian restaurant, evokes strong memories for many, but recent visits reveal a troubling inconsistency. While some diners praise the authentic flavors and excellent service, others lament overcooked, bland dishes and overwhelmed staff. Frequent occurrences of long waits, cramped tables, and cold takeout mar the experience, leading to disappointment among loyal patrons. Despite the drawbacks, a few customers rave about standout dishes like the king prawn curry and lamb shank, suggesting that the restaurant still has the potential to delight. Overall, Anaz finds itself at a crossroads, balancing nostalgia with the need for improvement.
