Welcome to Coul House Hotel, a quintessential Scottish county house tucked away in the serene hills above Contin, Ross-shire, just 25 minutes north of Inverness. My wife and I take immense pride in the hands-on approach we bring to running this beautiful establishment, working alongside our dedicated team to ensure every guest feels at home. Our surroundings feature mature trees and stunning gardens, lovingly cultivated by our talented gardener, Ana Ross. Here at Coul House, we focus on offering not just delicious food and a diverse wine list, but also a warm, friendly welcome that many describe as a deliciously relaxing experience. Delve into our Creative Cuisine, where local chef Garry Kenley showcases his culinary talents. Garry and I have shared over thirty years of friendship and two decades of working together, and let me tell you, the boy can cook! He crafts everything from scratch—ice cream to pastries—and his traditional chef skills shine through in the best scones, shortbread, and bridies you'll find in the region. Our menu features mouthwatering dishes, including expertly prepared steaks, venison, hare, halibut, crab cakes, scallops, and home-cured salmon. Looking to treat your loved ones? Our versatile gift vouchers offer a unique chance for an unforgettable experience at Coul House Hotel, whether it's for luxurious accommodations, exquisite dining, or indulgent afternoon teas. A gift voucher is a thoughtful gesture that opens the door to the charm and warmth of our historic Scottish Highlands retreat. Our comfortable rooms and glorious grounds await your enjoyment.
