On this site, you can find the **complete menu** of **Andreas Kebabs** from Adur. Currently, there are **33** dishes and drinks up for grabs. Andreas has long been a beloved local staple, renowned for its generous kebabs, burgers, and fried chicken. While many patrons laud the freshness of their ingredients and the quality of their dishes, recent experiences reveal a concerning decline in service standards and food consistency. Complaints of unsatisfactory lamb shish, missing salad, and below-par kebabs detract from the overall positive reputation. However, loyal customers continue to appreciate the friendly service and quick resolution of issues. Despite growing pains, many still regard Andreas as a top choice for casual dining in Sussex, albeit with some caution advised.
