Guests had mixed experiences at this inn, with some enjoying delicious meals while others faced long waits for breakfast. The cozy rooms were clean, but some guests found them drafty due to single-glazed windows. The staff, though busy, were praised for their friendliness and efficient service. The food received glowing reviews, with dishes like chicken goujons, fish and chips, and steak pie impressing diners. Despite some noise and location confusion, the overall consensus was positive, with many planning return visits for the good food and welcoming atmosphere.
