A complete [menu](#) of The Central Cafe from Dumfries Galloway featuring all 38 menus and drinks can be found here on the menu. The Central offers fantastic chicken burgers and unreal chips, earning a solid 8/10. On the downside, a customer received cold fish batter and faced hostility when providing feedback. The fish and chips had disappointingly thin and dry fish, but the chips were satisfactory. The Gallery Cafe is recommended for its outstanding macaroni and friendly staff. Another diner praised the helpful service and exceptional food despite higher prices. Staff at the cafe were accommodating and pleasant, especially when dealing with allergies. Clean and welcoming atmospheres in both locations, with delicious, hot meals. Overall, a mix of good and bad experiences but worth a visit for quality food.
