A **comprehensive [menu](#) of The Globe Inn** from Cornwall, Isles of Scilly featuring all **44** meals and drinks can be found here on the menu. The Globe Inn is a traditional Cornish pub located at the confluence of the East Looe and West Looe rivers. We offer traditional home-cooked meals daily, including a classic Sunday roast. Our food is locally sourced and we prioritize sustainability, particularly with our fish selections. During the summer, our terrace hosts Globe BBQs and offers scenic views of the Estuary all day long. As a Freehouse, we regularly feature different Guest Ales, including offerings from local micro-breweries like our very own Looe Brewing Company. Live music, a talented piano player, and cozy accommodation in a self-catering apartment with breakfast available by request are just some of the attractions we offer. Our location is convenient, just five minutes from the town center and ten minutes from the nearest beach. Family and dog-friendly, we also provide free Wifi and cater to functions and parties. Check out our Facebook page for more information.
