Here you will find the [menu](#) of Reel Dingle Fish in [An daingean](#). At the moment, there are **37** dishes and drinks on the menu. The restaurant offers fresh and tender fish (hake) with a polite staff, but be cautious of large bones in the fillet. The chips/fries vary in texture and size, resembling steak fries more than French fries. Remember to ask for salt or sauce as the dish can be bland. Quality has slipped in recent times, with soggy batter and undercooked chips. However, the tartar sauce is fantastic. On the flip side, the restaurant is praised for offering the best fish and chips in Ireland, generous portions, and friendly staff. The fresh fish is served right off the shoreline. For a unique experience, try the calamari and monkfish. The menu is translated into multiple languages, making choosing your meal easier. Enjoy your meal either at the harbor or opt for takeaway.
