A complete [menu](#) of Mug Brew from West Berkshire featuring all 40 dishes and drinks can be found here on the menu. This newly renovated cafe offers a wonderful cheesecake and excellent coffee. However, some customers found the new staff to be pretentious. Another visitor found the atmosphere too crowded and noise levels high, while a tired mom was disappointed by the poor coffee after struggling to navigate the narrow seating with a pram. Despite these issues, many customers praised the delicious coffee and cakes, welcoming staff, and cozy atmosphere. Overall, the cafe seems to have a loyal following of regulars who appreciate the food, ambiance, and friendly service. Perfect for catching up with friends over a hot drink or enjoying a delicious brunch.
