On this site, you can find the **complete menu** of Pier Cafe from Cornwall, Isles of Scilly. Currently, there are **40** meals and drinks available. Located conveniently next to the beach entrance, this seafront café offers fast and friendly service. Despite some issues with rudeness and lack of smiles from staff, most food was enjoyed by customers. The cafe/bar atmosphere was praised, with a great selection of food and cold beverages, such as the recommended beach burger and chicken burger. The scenic view and adherence to Covid restrictions were also noted. While service may vary in efficiency, the delicious food, especially the loaded crab mornay fries, made the wait well worth it. Overall, a great experience for beachgoers and visitors alike.
