A **complete menu** of Morellis from Coleraine featuring all **40** meals and drinks can be found here on the list. Morelli 's has been a cherished part of the Portstewart community since its inception, evolving beautifully over the years. After the retirement of its founder in 1974, his son Nino stepped in to uphold the family legacy, enriching the establishment with his vision. In 1988, Nino expanded the business by opening Nino 's, which not only continued the tradition of exquisite ice cream but also introduced an extensive range of hot food and beverages. 2002 marked a significant transformation for Morelli 's, as the original building was replaced with a modern café/restaurant and gift shop. The new venue, designed with Italian flair, can now accommodate over 160 guests and features a diverse menu catering to every palate. Morelli 's has established itself as a beloved destination for both tourists and locals. For many, a day at Morelli 's is synonymous with a visit to Portstewart, serving as a highlight of their experience in this beautiful coastal town. We are excited to continue this journey together, ensuring that Morelli 's remains a staple of joy and deliciousness for generations to come.
