Here you can find the [menu](#) of Ring Of Kerry in Cahirciveen. At the moment, there are **41** dishes and drinks on the food list. The restaurant offers good quality food, particularly commendable [seafood](#) dishes and substantial portions. However, the standout issue is the service, as one waiter named Brian consistently brings a negative experience to customers, with rude behavior and apparent dissatisfaction with his job. Despite this, the friendly staff, clean rooms, and excellent food create a memorable dining experience for guests, particularly for special occasions such as confirmations. Each visit ensures great value for money, although accessibility may be an issue for some due to the location. Overall, a solid choice for good food and warm service.
