On this webpage, you will find the **complete [menu](#) of O'donohue's** from Galway. Currently, there are **45** dishes and drinks available. Nestled along the stunning Atlantic coast, this pub offers a mix of charm and challenges.

While the fish and chips receive rave reviews for their quality, the overall atmosphere leaves something to be desired, with some customers noting sticky tables and indifferent staff. Despite these setbacks, the pub's picturesque setting and lively ambiance—enhanced by local music and friendly conversations—make it a popular stopping point for visitors. Diners can enjoy fresh chowder and a variety of drinks, yet the experience is marred by inconsistent service and cleanliness issues. A mixed bag, it stands out for its food but struggles with attention to detail.
